

Letter from Philip Dear Friends in Christ

When we consider current prophetic biblical events concerning Israel and Iran in which God is surely active, we remember that *'not a sparrow falls apart from the Father's will'* (Matthew 10:29) Because of God's omniscient nature and sovereign power it is also worth remembering Jesus words *'I will build my church'* (Matthew 16 : 18) . So whilst dealing with Israel's current issues in accordance with His plans, covenants and promises to them He has not parked the agenda for His church in the meantime. That includes these five Philippines Pastors and the churches (now numbering 26) under their jurisdiction. It's amazing how He provides. So we keep at it and try not to focus on one issue at the expense of the other. Notwithstanding we and the Pastors are praying for the peace and salvation of all Israel at this time as God's prophetic time clock ticks forward while continuing the Gospel work. Two items of news that may be of particular interest :

Pastor Roan was invited to speak at a Government De-radicalisation seminar for ex communist gun toting rebels. The Gospel was preached and 15 former rebels gave their life to the Lord ! Included is a photo of Roan with them.

In April **Sister Nelia** contacted me to say that regular power cuts in their mountain village was impacting the ministry. We established how much a standby generator would cost and subsequently made a donation to cover the cost (*photo of Nelia with the generator*). So the ministry and the church are able to continue functioning when the rest of the village is plunged into darkness. Very biblical

as the light of Christ shines out. As the Lord as quoted in John 8:12 said *'I AM THE LIGHT OF THE WORLD. HE WHO FOLLOWS ME SHALL NOT WALK IN DARKNESS, BUT HAVE THE LIGHT OF LIFE'*. I pray that you are encouraged by these and the other accounts in this newsletter. Grateful thanks for your prayer support and donations which achieve much for the Lord.

In Christs service. Philip.

Therefore, as we have opportunity, let us do good to all, especially to those who are of the household of faith. Galatians 6:10

Sister Nelia March 2025

Greetings in Christs wonderful name. The Greater Faith Ministries Churches and Pastors are doing good and our growing both in number and spiritually. This month the 5 Churches recieved boxes from Samaritan Purse and your donations provided the Transportation to the individual churches including Lake Duminagat to bring the boxes and also provided food to feed the Children. Praise God that the kids who received the boxes which includes toys and school supplies are now attending Church services.

Our Pastors participated in a training meeting in Dipolog City based on 'Twelve Core Values' (*photo*) and with your donations we were able to provide foods and food bags afterwards. Praise God that Pastors from different Churches here in Mt. Malindang are now having monthly prayer and training together. This happened because of your prayers and financial assistance. It is very hard to gather the Pastors without this.

In March I was able to visit our Churches in San Juan Omena where we conducted childrens feeding (*photo*) and ministry and the church of Pastor Antonino. We pray God will provide the needs of that church for walls as they only use curtains. Again, thank you very much all donors for your generosity. We pray for everyone who is a part and a big help to us. To the donors thank you for your unending support. All your seeds are bearing much fruits here and your seeds is not in vain. Please pray for our country because we really feel the economy crisis. God bless you all. *Nelia*.

April 2025 For this month report we continue the children's ministry, visiting churches and encouraging the youth and the Tribal Pastors training. We continue the works here as much as we can to glorify the name of our Lord Jesus Christ. This month I am focusing on teaching the children and sending financial support to the Pastors under the leadership of Greater Faith Ministries Philippines Inc.

Last week, the Fellowship in Sibutad hosted by Ptr Leo Diasana started to build a new Church there (*photo*) because of problems with their old building. Praise God now a church member donated a land where we can built a Church again. Your donations support the food and transportation of those who help to rebuilt the Church. Some of the orphan Children that we support will have a graduation on April 16.

I am praying that we can buy them a new clothes and shoes. (*Philip note : we responded and sent an additional donation to assist*).

Again, thank you so much donors for all your support we can only pay you back in prayers and we appreciate all your hard work to help us here in the ministry so we can do the impossible things to become possible in this end times.
Nelia.

May 2025 Last Tribal Youth Camp many received the Lord Jesus as thier Lord and Savior and as He touched their heart. Many shared their testimonies on how the Lord changed their heart from enjoying the world to giving their life to God.

Praise God that many more young people were able to attend the camp due to your financial assistance. We rented a car for their transportation and buy foods and other needs that we shared with them.

Also, we help some poor children here in the village giving them clothes (*photo*) so they can use it during their graduation. There is also an orphan

young teen graduated in Grade 12 that we helped who is staying and helping in the ministry and other 3 kids that we sponsored during their graduation who needed financial help. They extend thier thanks to everyone for the support. Also, we continue the childrens feeding program. We are now focusing the chil-

dren's Ministry here in the village because this time we couldn't able to visit other villages to bring some stuff due to lack of transportation. We continue to share some financial assistance to the Pastors under the leadership.

By this 3rd week of this month we have another summer Youth camp exclusive for the Youth under the Greater Faith Ministries organisation. This is to encourage the young people to serve God because now a days young people are very hard headed but need to understand the will of God in their life.

It's my honor and prlvilege for me to have you all supporting me to the assignment that God has entrusted in us here in the Philippines. Our prayers is with you all. Thank you and God bless everyone. To God be all the glory. Shalom.

Nelia

Pastor Roan in Northern Visayas :

The Lord is growing Roan's Harbinger Churches ministry apace. As with the other Pastors he seems to redeem the time with amazing zeal and enthusiasm. I have to counsel him occasionally to take a rest ! The Lord is using him and blessing his ministry powerfully as

indicated on page

1. In May we provided funds to support a Youth Event at his Church in Las Navas (*photos*).

And in June he was able to take

20 new believers to the coast for baptism (we *provided funds for the transport and celebration expenses*).

NEWS from the PHILIPPINES June 2025

Pastor Pat - Photos from Pat's activities March to June :

Pat writes: My heart that is overflowing with thankfulness, to thank you all for your continued faithfulness in supporting our ministry. Your prayers, words of en-

couragement, and generous financial support have been a blessing not only to us, but to all whom we are impacting in this work! This includes supporting us when we got to perform water baptism for some of our young folks. What a joy and fantastic moment it was to see young people publicly profess their faith and commit their lives to Christ! This is not just our ministry but your ministry too and together we are fulfilling the Great Commission. We are also rejoicing over the new elected officials in our city.

The new governor and mayor, who are both Chris-

tians, are a father and son team! What a testimony of God's provision!

We hope that under their leadership, the door will open again to resume our long awaited hospital and prison ministry. Please continue to pray with us for favour, direction and open hearts as we endeavor to step back into these important mission fields.
